

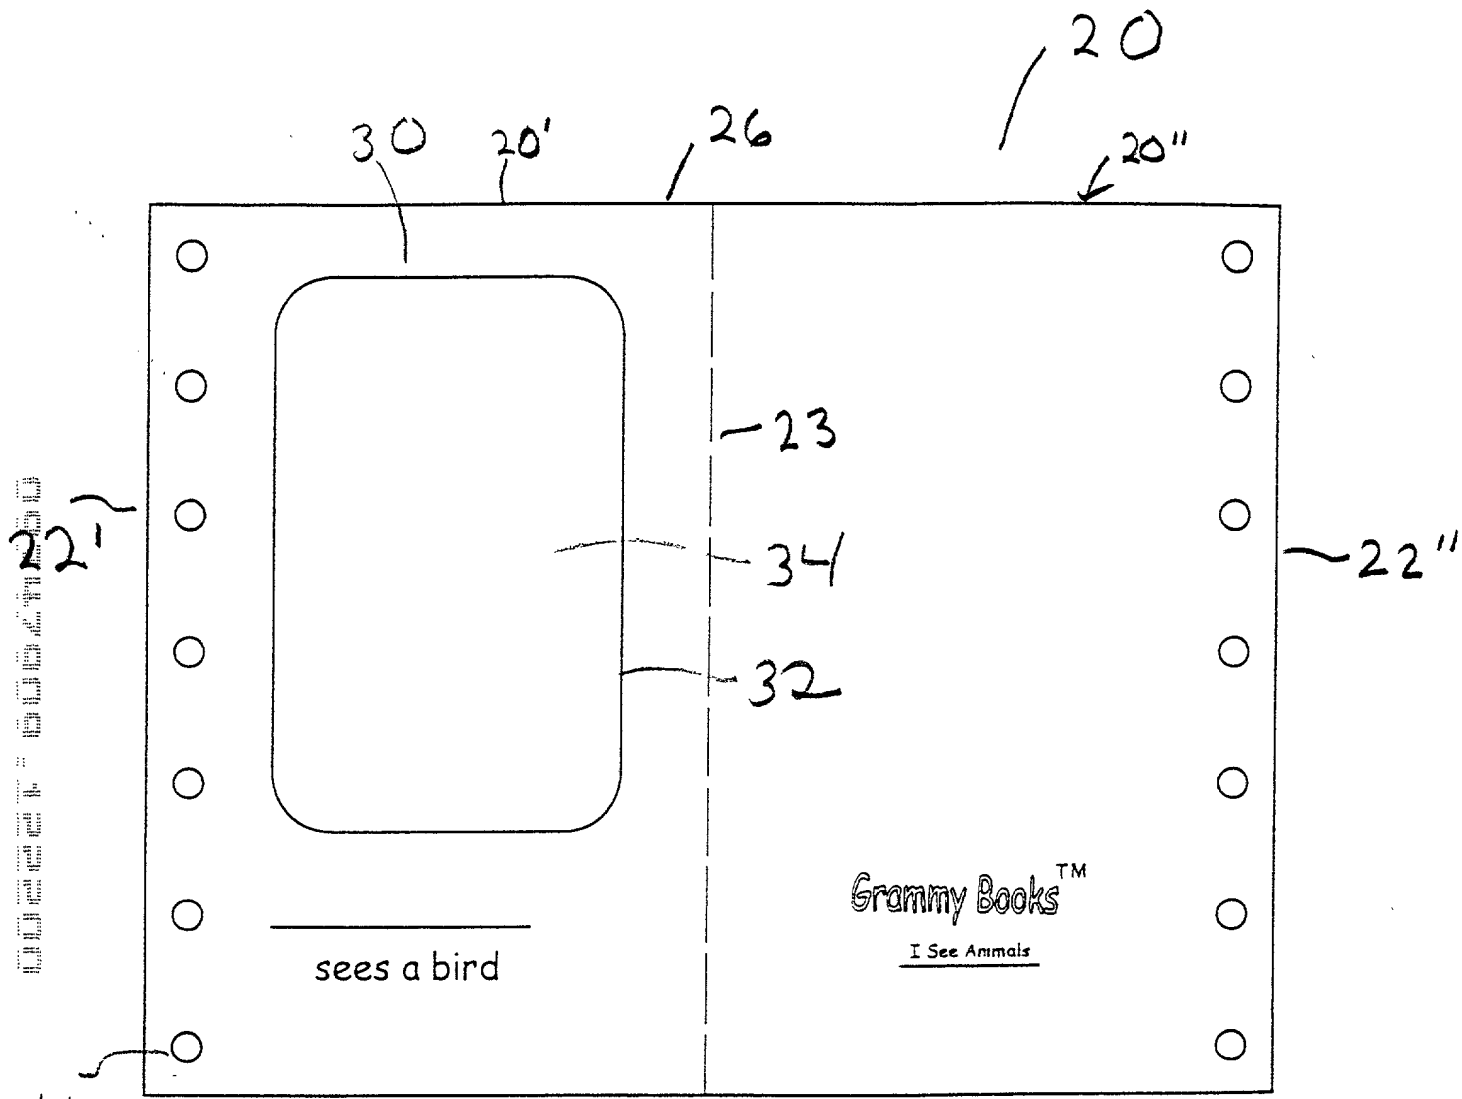

FIG. 1B

A hand-drawn schematic diagram of a mobile device, possibly a smartphone or tablet, enclosed in a rectangular frame. The diagram includes several labeled components:

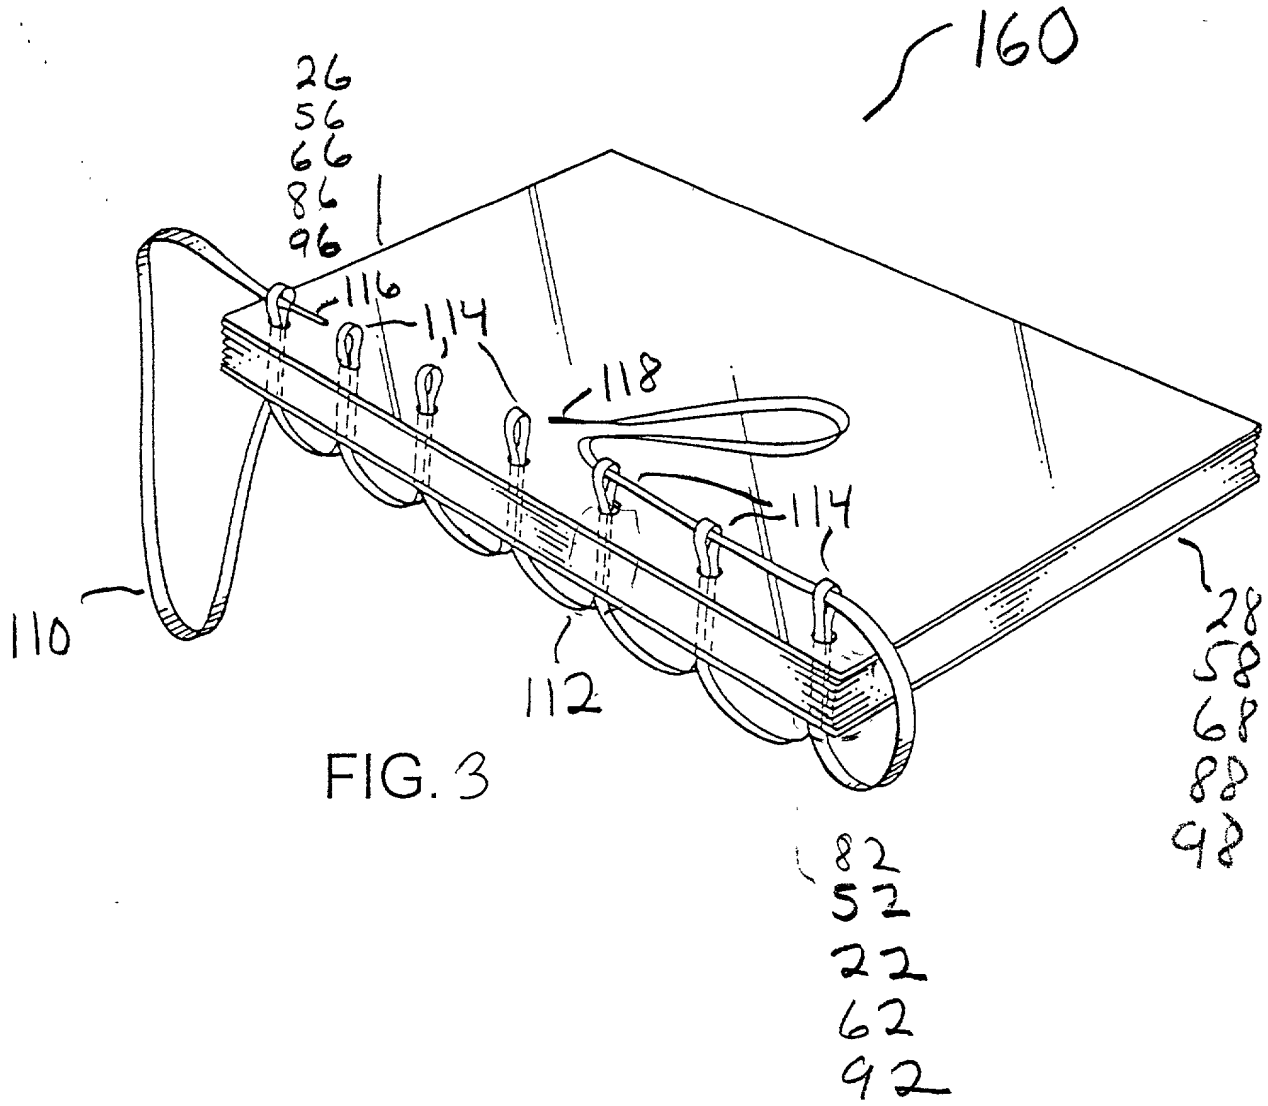

- 30**: Points to the left edge of the device frame.
- 34**: Points to a large, rounded rectangular area in the center, likely representing a screen or display.
- 32**: Points to the right edge of the device frame.
- ~20**: Points to the top edge of the device frame.
- 112**: Points to a vertical column of seven small circles on the left side, representing a speaker grille or camera array.
- 44**: Points to the bottom edge of the device frame.
- 42**: Points to a horizontal line segment near the bottom left, with the text "sees a bird" written below it.
- 40**: Points to the bottom edge of the device frame, near the "sees a bird" label.
